quotes

"Upward Bound provided me with a solid grasp of the fundamentals, and from the first day of camp, the coaches treated me like a friend. I have developed a close relationship with many of them which shows that the camp is about more than just basketball."

—Russ Bombard, Graduate, Suffield H.S.

"The camp has everything, good instruction and good conditioning. It is a great learning experience."

—Lindsey Johnson, Graduate, Simsbury H.S.

"Upward Bound is the camp my girls won't miss. It has become a family event! We have nieces and nephews that have been campers for several years. They love it!"

—Mrs. Susan Johnson, Simsbury Mom

"I've been to other camps for twice the money and haven't learned half as much."

—Rob Pickard, Graduate, Lewis S. Mills H.S.

"Upward Bound is the total basketball experience. The camp covers all aspects of the game. The games are highly competitive. The instruction in the fundamentals is excellent. Most importantly, the camp teaches the personal character traits that are required to be a successful player and person."

—Brendan Copes, Assistant Coach, Marist College, former camper

HOOPS ON THE HIGHEST LEVEL

our mission

For the past twenty years, Upward Bound Basketball Camp has been teaching young men and women to become better basketball players through being better people. The lessons taught by our staff of experienced coaches stress the **Student**, the **Skills**, and the **Sport**.

For the Student we encourage **personal growth** and the development of positive character traits. For enhanced **skill development** we emphasize a firm grasp of the fundamentals. Lastly, we stress teamwork to ensure maximum enjoyment from the **sport** of basketball.
