UPPER SCHOOL APPLICATION FOR ADMISSION

International Student

We at The Master's School are committed to the integration of faith and learning within a framework of a Christian worldview. We challenge our students to strive for spiritual maturity and academic excellence in a supportive community that emphasizes education from the inside out.

APPLICATION PROCESS

The following items are required:

1. A completed application, including the "Parent's Reflections" on the last page;
2. A non-refundable application fee of \$500;
3. A copy of the applicant's most recent report card, including standardized test scores, and special education records. A release of records is included and should be given to your child's current school.
4. All students applying for grades 9-12 must take the SSAT test if they have not taken the test already. Please log on to www.ssat.com for registration information or call the Admissions Office.
5. Additionally, The Master's school requires the Test of English as a Foreign Language (TOEFL) for applicants whose first language is not English.

Completing the paperwork in a thorough and timely fashion is the first step in the admissions process. Building healthy relationships with families is key to our work with students; therefore, we want to meet with each family. We require that each Upper School applicant spend one full day at the School. With all of these pieces in place, The Master's School will be well positioned to make a responsible decision regarding whether or not we are a good match for your child and family. Throughout this process it is also important that you feel you are having your questions answered. We anticipate that you prayerfully consider the match between your son or daughter and the programs we have to offer.
